SUMMARY

Motivated ECE student with a strong foundation in Python, C combined with knowledge of electronics and computer systems. Eager to apply both hardware and software skills to real-world IT and systems challenges in a dynamic tech environment. To make contribution in the organization with best ability and also develop new skills to achieve new heights

CERTIFICATIONS

Digital 101 course - Certificated by NASSCOM

- Gained foundational knowledge in digital technologies, industry trends and emerging technologies

NPTEL : Design thinking

- Focused on problem-solving, innovation process, empathy mapping, prototyping and creative thinking.
-

WORKSHOP

- Design, Fabrication and characterization of printed Bluetooth Antenna for IOT application at VIT, Vellore
 - Game development at KSR College, Tiruchengode
-

PROJECT

- **Smart Socks Project** - Developed Smart Socks integrated with sensors to monitor foot pressure, temperature, and movement in real time and implemented microcontroller-based system with Bluetooth connectivity for health tracking
-

EDUCATION

Sona college of technology

Bachelor of Electronics and Communication Engineering

- **CGPA** : 8.37

Sre Vidyasagar Higher secondary school

11th - 12th

- **Percentage**: 90.333%
-

ADDITIONAL INFORMATION

- **Technical Skills**: Python, C and Data structure
- **Languages**: Tamil, English
- **Awards/Activities**: Received the "Academic Excellence" Award for academic contribution during the year of 2025 - 2026
- **Soft skills** : Teamwork, Leadership, Time management and Effective communication
